

GETTYSBURG EXPERIENCE

True Growth has empowered thousands of military, government and civilian leaders to embrace the transformational power of authenticity to improve themselves and the lives they touch.

Our clients include FEMA, US Army, the Department of Defense, the University of Texas, and the world's largest insurance company.

WHAT IS IT?

A four day retreat designed for management level leaders, that provides a structured development of the principles and applications of authentic leadership. During this time, a participant will take a personal, introspective look at themselves to build, engage and explore behaviors that support becoming a authentic leader. This also includes exploring and helping leaders better understand how to create work environments and relationships that grow passionately engaged teams!

WHY DOES IT WORK?

- Sessions presented by master-class, seasoned practitioners (with over 400 years of combined experience) – are experienced practitioners from the civilian, military, academic, and athletic arenas teaching with a real-world curriculum
- Accountability Individual Focus: Custom True Growth™ 360 Assessment based on the 25 behaviors of an authentic leader, Interpersonal Style Assessment, one-on-one coaching, personal and professional action plans, 30-day follow up from the leader's personal coach to check on their action plans
- The Battle of Gettysburg offers timeless leadership lessons. These lessons are brought to life with a battlefield tour conducted by Len Fullenkamp, an eminent expert.
